## Club Penguin Island

Vitycam

★★★★★ 3/29/17

This game is probably the most exciting game ever! I'm 58 years old and this is a great way to live my youth again! I remember the days in 1964 with my papa and mother when we used to go to Antarctica to play with the Penguins. I don't remember many pink penguins though!! Thanks so much Disney for making such an amazing and exciting game, I look forward to Club Penguin Island 2! Also, the graphics are OUTSTANDING, period. It is almost as good as PS2! Great game. All those fools moaning at membership are poor peasants that need to grow a pair and pay the fee! Disney needs the money to make Micky Mouse Island, My great grandson is working on the game. Only complaint is that you are unable to purchase the mighty Captain RockHoppers' manly beard. Very disappointed in that so I'm rating 1 star.
