(Every boss, not just the boss you are in. If you want to avoid this, use the Mod Code) Can configure the boss health bar to display more than 8 health bars at once, to make it easier to see all of the bosses' health bar. The Health Bar is about 7 times smaller than the current boss health bar so you can still see the boss if you get blocked by the boss. Creative Our Creative Consultants are your one-stop shop for all of your creative, visual, and interactive needs. We understand that every project is unique and we strive to provide you with the best possible service. Working with you on your project from concept to execution, we are in it for the long-haul.
